1) ADMISSION

1.1 National and international monohulls and multihulls classes with loa \geq 6.00 m. as well as offshore keel boats and similar with or without measurement certificates and multihulls with at least two persons crew with loa \geq 5.50 m with or without measurement certificates. Boats without measurement certificates, as an exception to rule 78 WS, shall be allowed to compete if they comply with the navigation international regulations.

Boats which cannot reach the available number to build up a class can enter the race but can only compete for the final results in elapsed time, and both for the final results and for the different trophies in corrected time, according to the ORC standards.

1.2 Boats which compete for the ORC classes trophies must present a valid and final ORC 2018 measurement certificate.

The boats which present a ORC measurement certificate, in compliance with the minimum WS OSR requisites, will be grouped into three groups:

ORC A (classes 2-3) CDL \geq 8,80 without trapezes or wings

ORC B (classes 4-5) CDL \leq 8,799 without trapezes or wings

ORC HI-TECH All boats with trapezes or wings

All boats with ORC certificate can compete both in the ORC class and in their own class.

(ex: Melges 32 or Dolphin 81 with ORC certificate can compete both for ORC final results and also for its class final results, if it complies with the class rules.

Multihulls will be divided into three classes as follows:

LOA \leq 20 FEET

LOA 20 < FEET > 28

LOA > 28 FEET

1.3 The Organizing Committee reserves the right to enter or not a boat in the most suitable group, to grant possible exceptions on demand, to split the participant boats into classes and categories according to its own standards, and the faculty to assign further prizes as well.

1.4 A class with a minimum of 4 participants will be accepted, unless a special exception decided by the Organizing Committee. Monohulls with ballast keel and canting keel with LOA > 6.00 are admitted. The movement of the keel through manual, mechanic, hydraulic, pneumatic, electric control is allowed.

2) REGATTA RULES

2.1 The Regatta will be regulated by rules as defined by the Racing Rules WS 2017-2020, WS "Offshore Special Regulations" (OSR) – appendix B and the ORC 2018 Rules. Regattas shall be raced according to acknowledge Class.

9) SAILING INSTRUCTIONS

9.1 Available at the CVG office one week before the regatta (from 30-08.18)).

10) RESPONSIBILITY

10.1 Circolo Vela Gargnano, the Race Committee and the Jury are not responsible for every damage caused to third persons and to their things, at sea or ashore, in consequence of taking part in the regatta. It shall be the individual responsibility of each yacht to decide whether or not to start or to continue to race, by evaluating carefully the weather conditions and all risk factors. Even if a boat has entered in the Regatta, it doesn't mean that it is able to sail. A boat which retires from the race must immediately inform the Organizing Committee. Competitors are warned that the organization cannot grant assistance to every yacht during the race.

11) SECURITY-TRACKING GPS

11.1 The safety of the boat and its crew is responsibility of the owner, OR of one of its representatives, OR of the skipper, who must assure the good conditions of the yacht, of the mast, of the sails, of the auxiliary engine (if required for the measurement), of the tools and of the on-board equipment.

The owner must assure that his crew is able to participate in the regattas, knows where the safety equipment is and how it must be used.

11.2 All yachts shall be provided with security equipment, also for sailing at night, during the Centomiglia, as stated by the Safety Rules of each class and by the CVG Regulation and as prescribed by the Italian law and by their own country laws for sailing in internal waters. Each sailor must wear a life jacket during the race. All boats, with trapezes, whose length is > 10 mt. and all multihulls must be followed by a personal tender boat which must be able to rescue and host – if necessary – all members of the crew.

Each tender must exclusively refer to its own yacht and must have a suitable flag (with letter 'S' on it) together with the authorization to sail in the northern part of the lake, in the Trentino area (for Gorla Trophy only).

11.3 Every tender (see point 11.2) must inform the Organizing Committee of its participation in the regatta within 18th August in order to obtain the authorization to sail in the northern part of the lake, in the Trentino area (for Gorla trophy only).

11.4 Each boat taking part in the regattas on 2nd and 8th September must download the application for the tracking gps system (on one or more devices on board).

A notice will be posted concerning installation procedures. Time at some marks can only be measured through the Kwindoo tracking gps application.

If a boat will not round all the marks, it will be protested and consequently disqualified.

Smartphone application Kwindoo can be freely downloaded from www.kwindoo.com or from the most common marketplace of applications for mobile tools such as Apple Store and Google PlayStore. Further information concerning usage and functions of Kwindoo applications will be available at the secretary office.

12) YACHT CONTROL AND PROTESTS

12.1 Yachts can be checked concerning measures, security equipment and general conditions either before or after the race; the request of control will be made either verbally or posted up on the official board and it shall not be refused under pain of disqualification. Possible measurement protests have to be made complying necessary formalities within 18 hours before start.

13) PENALTY:

13.1 RRS Rules 44.1 and 44.2 are modified to taking a one turn penalty, each turn including one tack and one gybe. Every boat which takes a penalty or has retired under rule 31.2 or 44.1 RSS must inform the Race Committee by filling in the proper entry form by the protest time limit. Avoiding to do this, the penalty will not be considered valid.

13.2 Starting penalties: penalties will be applied according to the boat elapsed time.

14) FINAL RESULTS

14.1 Final results will be as follows:

- Overall (elapsed time)
- For each single class (elapsed time)
- Overall (corrected time), ORC rules will be applied.

Final results for ORC classes **will be obtained through the system
TIME ON DISTANCE OSN (Offshore Single Number).**

The corrected time will result as follows:

$$\text{Corrected time} = \text{Elapsed time} - (\text{ToD} * \text{Distance})$$

“ToD” means Time on Distance coefficient and the “Distance” will be

- **30.5 NM FOR Gorla Trophy**
